

## The Regina Fulton Memorial Award

*Becoming a “reiner” is about more than learning to ride a reining horse. It’s about friendships, challenges, expectations, disappointments, and the insatiable desire to keep on riding. Regina Fulton, a longtime member of the Mississippi Reining Horse Association, was an excellent example of why we love the sport of reining and treasure the bonds that are formed through reining.*

*An annual memorial award has been established in Regina’s honor. This award will be presented to the Mississippi Reining Horse Association’s year end, high point Green Reiner. To contribute to the fund, please complete the form below and attach your check or cash donation. All contributors will be recognized in the MSRHA program book.*
